Dear Ambassador,

I urge you to consider the case of respected human rights lawyer Gao Zhisheng (高智晟), who was reported missing by his family in August 2017. He has been subject to enforced disappearance, raising fear of torture and other ill-treatment.

I call on the authorities in China to immediately and unconditionally release Gao Zhisheng (高智晟), if he has been detained solely for exercising his right to freedom of expression; and pending his release, immediately disclose the whereabouts of Gao Zhisheng, and ensure that he is not subjected to torture or other ill-treatment; and he has regular, unrestricted access to his family, lawyers of his choice, and medical care on request or as necessary.

Thank you for your attention to this matter of long-standing urgency.
