

Caltech Wilderness First Aid Training Application

Please answer all of the following questions and return a hard copy to Colette Salyk (MC 150-21) by **5pm Friday April 11, 2008**. You will be notified about the status of your application by April 18. Remember, if your application is successful, you must complete your registration for the course by April 30 by submitting a signed waiver and \$120 check. After this date, your reserved spot will be forfeit and will go someone on the wait list. See course website for more information.

Name:

email and phone:

Caltech affiliation (& expected date of graduation/departure):

If we receive more than 30 applications a committee will select course participants to maximize the benefit to the Caltech community. Our goal is to select participants in a way that spans the diverse cross-section of people who participate in wilderness activities.

We would like to know a little bit about you and your wilderness activities:

Describe any wilderness trips you have led – *formal or informal* (ie: location, remoteness, number of people, duration, conditions, etc):

Describe any wilderness trips you are scheduled to lead:

Describe any wilderness trips and activities you have participated in:

Why do you want to take this course?
