

Alumni Association

February 23, 2004

Dear 1959 Classmates:

As members of the 1959 Caltech graduating class we want to invite you to Alumni Reunion Weekend on Friday, May 14, and the 67th Annual Seminar Day on Saturday, May 15.

Our committee has had a lot of fun reminiscing about the good old days, and it's hard to believe this will be our 45th reunion! One of the committee members from your resident house either has contacted you or will in the near future to renew friendships and urge you to attend the Reunion weekend. Off campus graduates will also be contacted.

Shortly you will receive the Preliminary Program and registration materials from the Alumni Association, which will list the time and location of activities scheduled for all the classes attending, including our '59 class.

On Friday morning our class will meet at the Huntington Library for an Early Arrival Estate Tour, with Allan Porush welcoming the group at the Library entrance. In the afternoon there will be a walking Campus Architectural Tour.

Friday evening there will be a reception followed by our '59 class dinner at the Athenaeum in our own room. We hope to have one or two speakers with short entertaining talks, followed by spontaneous stories by class members about the early days at Caltech. Short, humorous and informative stories are highly encouraged. The main theme is to renew friendships and have a great time!

After attending Seminar Day all attendees are invited to a wine and cheese reception and an informal Alumni BBQ. We encourage you to join us for a perfect ending to Alumni Reunion Weekend 2004.

Detailed updated information on the Reunion and Seminar Day will be found at www.its.caltech.edu/~alumni/reunions.htm.

Please plan to attend Reunion Weekend. We want to see all of you!

Best wishes from the 1959 Class Reunion Committee:

Wally Baer (Blacker)
Brent Banta (Ricketts)
Clint Frasier (45th Reunion Chair)
Dennis Kuli (Dabney)
Allan Porush (Throop)
Larry Tenn (Fleming)
