

The Athenaeum

Dress Guidelines

Recommended attire for evening dining: A coat and tie are always appropriate, but at all times men are asked to wear a collared shirt with dress slacks and sport coat. Women are asked to wear a dress, dressy skirt or pants with a blouse, or a suit. Shoes should be clean and appropriate for the occasion.

Recommended attire for breakfast, lunch, summer outdoor dining, and use of the Hayman Lounge: Clean, campus-appropriate casual dress in good condition that is not excessively revealing. Tennis attire is also appropriate in the Hayman Lounge.

At times, Athenaeum management may adopt event-specific dress guidelines that are more or less stringent than those above. Hosts of private functions may impose more stringent dress guidelines.

Throughout The Athenaeum shoes and shirt are required.
