

E. Sterl Phinney
Curriculum Vitae

Education:

Cambridge University (U.K.)
PhD (Theoretical Astrophysics): 1983 Advisor: (Lord) Martin J. Rees
California Institute of Technology
B.S. (Astronomy) : 1980

Employment:

California Institute of Technology:
Executive Officer for Astronomy & Astrophysics (2013–2016),
Professor of Theoretical Astrophysics (1995–),
Associate Professor of Theoretical Astrophysics (1991–95),
Assistant Professor of Theoretical Astrophysics (1985–90),
The Institute for Advanced Study, Princeton:
Member with Long–Term Appointment (1983–85)
Visiting appointments (1985–2016): Johns Hopkins, Berkeley, KITP, IAS, ESO,
Radboud University

Awards and Memberships:

Salpeter Lectureship, Cornell University (1999)
ASCIT Excellence in Teaching Award (1999)
Warner Prize of the American Astronomical Society (1995)
Alfred P. Sloan Foundation Research Fellow (1990–94)
Presidential Young Investigator (1985–1990)
Marshall Scholarship (1980–1983)
Fellow: American Physical Society, Royal Astronomical Society.
Member: American Astronomical Society

Recent Professional Activities:

Associate, Canadian Inst. for Adv. Research Cosmology & Gravity Prog. (2008–)
Vice-chair, NASA Astrophysics Research Program Review (2010–2011)
Fachbeirat, Max Planck Institute for Gravitational Physics (2007–2012)
Chairman, LISA Sources and Data Analysis Working Group (2001–11)
Member, LISA International Science Team ('LIST') (2001–11)
Member, NASA Universe Exploration Strategic Roadmap Committee (2005–8)
Chairman, Astronomy & Astrophysics Panel of the NAS/NRC Committee on
Priorities in Space Science Enabled by Nuclear Power and Propulsion (2004–5)
Principal Investigator, NASA Mission Concept Study: the Big Bang Observer
[advanced gravitational wave mission] (2004–5)
Chairman, NASA OSS/SEU Strategic Plan Roadmap Team (2001–2003)
Member, NASA Structure and Evolution of the Universe Subcommittee (SEUS)
(2000–3)
Member, NASA SPIDR Technology Assessment Team (2002–2003)
Chairman, LISA Mission Definition Team (1997–2001)

Current Research Interests:

Astrophysical sources of gravitational radiation. Gravitational wave detection from space and its future. Pulsar physics. Physics around black holes. Interactions of binary white dwarfs and neutron stars.

Undergraduate SURF (summer research) students sponsored in past 5 years:

Adam Jermyn, Guglielmo Lockhart, Raziman T.V., Christopher Moore

Graduate Advisees:

M. Coleman Miller (Prof U. Md), Steinn Sigurdsson (Prof Penn State), Lin Zuo (entrepreneur), Maurice van Putten (MIT and Korean Inst for Advanced Studies), Alice Quillen (Prof U. Rochester), Brad Hansen (Prof UCLA), Sanjoy Mahajan (Prof Olin College of Engineering and MIT), Michael Hartl (entrepreneur and author), Alison Farmer (Harvard), J. Nate Bode (Northwestern U.), Chris Wegg (Max Planck Institut für Astrophysik). Current students: Io Kleiser

Postdoctoral fellows sponsored in past 5 years:

Naoki Seto, Yasushi Mino, Étienne Racine, Jeandrew Brink, David Tsang, Michael Kesden, Tony Piro, Kumiko Kotera, Jim Fuller, Drew Clausen, Jono Squire (lifetime total: 27).

Teaching:

ACM 95b (Introductory Methods of Applied Mathematics)
Ay 20 (Basic Astronomy and the Galaxy)
Ay 21 (Galaxies and Cosmology)
Ay 102 (Physics of the Interstellar Medium)
Ay 104 (Relativistic Astrophysics)
Ay 121 (Radiative Processes)
Ay 123 (Structure and Evolution of Stars)
Ay 124 (Structure and Dynamics of Galaxies)
Ay 125 (High-Energy Astrophysics)
Ay 126 (The Interstellar Medium)
Ay 127 (Cosmology and Galaxy Formation)
Ay 215 (varies with year: Star Formation; Disks and Accretion)
Ay 218 (varies with year: Physics of Accretion and Active Galactic Nuclei; Theory of Gamma-Ray Bursts; Gamma-ray Astronomy)
Ph 1b,c (Mechanics, Special Relativity, Electromagnetism)
Ph 101 (Order of Magnitude Physics)
Ph 106ab (Topics in Classical Physics)
Ph 136b (Hydrodynamics, Plasma Physics)
Ph 236abc (General Relativity)

Current Caltech committees:

Caltech Curriculum Committee
Chair, Astronomy Curriculum Committee
Physics Staffing Committee, Astronomy Staffing Committee

Chair, PMA Divison Chair selection committee (1998, 2008, 2010)
Chair, Physics Prize Postdoctoral Fellowship Commitee (2011-2014)
Undergraduate Academic Standards and Honors Committee (2010-2016)
