-
- Doing plays in Ramo in the summer is expensive (~\$ 11K), though we can get that waived
 - Other student groups have gotten this waived
 - Previously this waiver has been reneged upon; if we want to do another play in Ramo in the summer, will need a contract
 - Dabney may be problematic; last year we were helped by the Tango club not needing the space
 - Outdoor venues may have volume issues

CONSTITUTION AMENDMENTS

- As a student club, we cannot allow non-students to be in leadership positions or vote in elections for leadership positions
- Current constitution allows this, so we have had our student club status revoked
- Amending the constitution to fix this
- **Amendments pass unanimously (17 yes, 0 no, 0 abstaining)**
