

Please copy and paste the **numerical** content listed below for each of the data files below into a separate plain text file. Call the files Data1.txt, Data2.txt and Data3.txt.

On each line, the first number is the time point and the second number is the data value.

Data File 1:

```
1,0
2,0.1
3,0.3
4,0.55
5,0.8
6,0.95
```

Data File 2:

```
1,1.0
2,1.0
3,0.75
4,0.55
5,0.2
6,0.0
```

Data File 3:

```
1,0.2
2,0.3
3,0.9
4,0.55
5,0.2
6,0.0
```
