Come hear about the Electrical Engineering and Computer Science options this Wednesday! The Caltech IEEE Chapter will be presenting on everything about EE and CS at Caltech (classes, professors, and the overall experience). If you are thinking about EE or CS, come to hear more information and talk to upperclassmen. If you know you want to be an EE or CS student, come hear about classes and when you should take them. This event will be especially helpful to FRESHMEN.

Pizza will be provided.
