

The candidates' excuses for missing the Prufrock Halloween Party

1. What's in it for Halliburton?
2. Costume??? But I already made faces at the debate.
3. I went to last year's party, and now it's "Mission Accomplished."
4. It's hard work, it's incredibly hard, to make a costume.
5. I underestimated Prufrock.
6. I firmly deny that Dick and I coordinated our costumes before the party.

1. I'm spending Halloween in Cambodia.
2. I voted for the Halloween party before I voted against it.
3. My wife won't finance my costume.
4. Prufrock rushed us into this party without international support.
5. Does Botox count as a costume?
6. This party is the wrong party in the wrong place at the wrong time.
