

Annual Surf Camping Trip April or May 2012

The time is coming up for our *annual surf camping* trip to Leo Carrillo State Beach. We ask that you suggest weekends which would work for you, i.e., there are no conflicts with the spring break, exams, conferences...

Typically we go there in April or May if we can find a free camping spot. It gets very crowded later in the season. Let us know if you would like to be the trip leader, reserve a camping site and take care of the logistics. As usual, you get a generous club credit for your efforts. Please note that on this trip we do not offer beginner lessons; the breaks around there are not very beginner-friendly.

If there are other surf breaks that you would like to take a group from the club on a day-trip or for the whole weekend, let us know @ surfer@caltech.edu!
