

Clubhouse locks changed

Current members,

The locks to the clubhouse have been changed by Wednesday January 10th.

If you would like to renew your membership and get a new key, please wait for a clubhouse tour (they happen fairly frequently).

Please remember to bring:

1. Membership form, filled out electronically (not by hand), printed out and signed – <http://surfclub.caltech.edu/memform-elec.pdf>
2. \$10 for annual membership dues
3. \$5 if you want a key to the clubhouse
(strongly recommended, unless you always go to the clubhouse with a friend who is already a member and has a key)

Cash or personal checks are acceptable.

Please have the correct change.

Make the checks payable to Caltech Surf and Windsurf Club.

Those members who joined/renewed their membership since September and paid for a key can just stop by and pick one up.

Matt.
