

# Beginner surf lessons February 4, 2012

---

Aloha surfers!

We had a big group and nice waves at Mondo's during the lessons organized by Laura and lead by Gaylord last Saturday. Our next surf lessons at Mondo's are scheduled for Saturday, February 4, and we thank Ian for that. He is volunteering again after having organized December lessons.

The announcement will be going out soon, so please wait until then to sign up.

Tucker is planning to organize the lessons in early March, date is still TBD. In April it will likely be Reeve who will do the organizing. If you are willing to help with any of these trips please let [surfer@caltech.edu](mailto:surfer@caltech.edu) know.
