

Clubhouse tour Tuesday, January 31, 6 PM

Aloha!

Caltech Surf and Windsurf Club invites new members to join the club by attending a mandatory clubhouse tour on Tuesday, January 31 at 6 PM.

Please read the info below if interested in becoming a member and being able to rent equipment from the club. Eligibility is granted to everybody from Caltech/JPL community and alumni on an annual basis. Note that club membership is NOT required for taking part in club's surf and windsurf lessons and trips. Also note that the membership is governed by the Caltech Honor Code.

Let me know if you plan to attend the tour (DO NOT reply to all), especially if you will be coming from JPL and want to carpool with others. If you got a tour in the past and just need to renew your membership, bring the new filled out form and fees to the tour in exchange for a new key. If we haven't sent you a key, come get it at the beginning of the tour, you won't have to stay for the rest.

The tour is also a good time for our members to pick up or drop off instructional DVDs that belong to the club. DVD rentals are free for one week, if you've kept it longer than that please return it ASAP. The titles cover beginner, intermediate and advanced surfing and windsurfing instructions and physical fitness for surfing.

Tour info:

Please arrive on time, we'll start at 6 PM sharp. The tour takes about one hour. It is mandatory before the new members are allowed to rent the equipment, no exceptions. Prior to coming to the tour make sure to study the club policies on our website and subscribe to the mailing list if you haven't already done so. See the links below.

The clubhouse is located on the NE corner of bldg. #1 on campus map (Brown Gym, a.k.a. the old gym).

Enter the clubhouse from the tennis courts/gym parking lot on the east side of the building through the shrub and a gate in the chain-link fence.

Bring the following to the tour:

1. Membership form, filled out electronically (NOT by hand), printed out and signed <http://www.its.caltech.edu/~surfer/memform-elec.pdf>
2. \$10 for annual membership dues (renewed each September regardless of when you join the club)
3. \$5 if you want a key to the clubhouse (strongly recommended, unless you always go surfing with a friend who is already a member and has a key)

4. Visiting students/postdocs need to leave \$100 security deposit

Cash or personal checks are acceptable. Make the checks payable to Caltech Surf and Windsurf Club.
