Aloha surfers!

Again, we are looking for volunteers to be in charge of organizing club trips to Mondo's surf break in November and December where we will hold our monthly beginner surf lessons.

You would only need to take care of the logistics, i.e., send announcements, keep track of the sign-ups, organize carpool and DVD screening, make sure boards and wetsuits make it safely to/from the beach, and get rinsed/stored after the trip. We will help you get comfortable along the way, so don't worry if you've never done something like this. You don't have to be an experienced surfer. In fact, you could be a total beginner and we will coach you.

The surf lessons are taught by our board shaper, Gaylord Campbell, you don't need to worry about that part at all. For your volunteering efforts we will give you a generous club credit that you can use toward future rentals.

If interested or have further questions, please reply to surfer@caltech.edu and let us know which Saturday or Sunday would work for you. We will coordinate the dates with swell forecast and Gaylord's schedule. Keep in mind that waves are getting better as the winter approaches.

Two volunteers per trip would be ideal. Trips in September and October were successfully led by our new volunteers, so now it should be your turn!

Mahalo,
Branislav
