Your Excellency,

I urge the authorities in Iran to drop all criminal proceedings against imprisoned writer Narges Mohammadi in relation to her exercising her rights to freedom of expression, association and peaceful assembly, including her peaceful activism while previously imprisoned.

I call on the authorities in Iran to ensure Narges Mohammadi's physical and mental well-being, to grant her full access to all necessary medical care as a matter of urgency, and to ensure she is not subject her to any form of physical or psychological suffering, torture or ill-treatment, including flogging, pending her release.

Thank you for your attention to these urgent matters.
